## FILL SANDBAGS 500% FASTER!

### The one person sandbag filling tool.

Since the beginning... if you wanted to fill sandbags in a flood emergency, it was a two man job...one to hold the bag and one to shovel sand into the bag. It used to take three to four shovel loads which is way too slow and tedious. NOT ANYMORE...

### Now One Person Can Do 5X The Work !!!

Dollar for dollar and pound for pound; NO other device of any kind -be it machine or holder or hopper --- offers the combination of portability, speed, simplicity, ease of use, versatility and cost-effectiveness of the **GOBAGGER**...

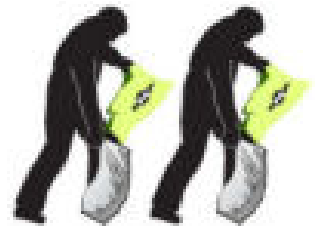

**SLOW**

2 people with one shovel can bag 90 bags an hour.

**FAST**

2 people with GoBaggers bag 480 bags an hour!!!
